

All the Time (March 2014)

When I have questions, Jesus answers. All the time.

And when I'm empty, Jesus fills me. All the time.

All the time. He's with me all the time.

Throughout the day, He leads my way,
All the time. All the time. All — the — time.

So when I'm worried, Jesus calms me. All the time.

And when I'm lonely, He sits with me. All the time.

All the time. He's with me all the time.

Throughout the day, He leads my way,
All the time. All the time. All — the — time.

Bridge: And when I come to him and pray,

He knows what's on my mind.

He sends his peace, His sweet relief.

All the time. All the time. All — the — time.

When I falter, He stands with me. All the time.

And when I'm seeking, He delivers. All the time.

All the time. He's with me all the time.

Throughout the day, He leads my way,

All the time. All the time. All — the — time.

When I'm singing, He sings with me. All the time.

And in my worship, He is near me, All the time.

All the time. He's with me all the time.

Throughout the day, He leads my way,

All the time. All the time. All — the — time.
