And I'm always working all things for your good,

You can rest assured, they're for your good,

'Cause I'm at work. Yes, I'm at work.

(You feel the pressure, I'm only purging out the dross, I'm at work.

(You're such a treasure, So I'm securing you from loss, I'm at work.

And I'm always working all things for your good,

You can rest assured, they're for your good,

'Cause I'm at work. Yes, I'm at work. (CHORUS)

Your body's broken, So is all the bread I serve, I'm at work.

And I have spoken, My compassion you will learn, I'm at work.

And I'm always working all things for your good,

You can rest assured, they're for your good,

'Cause I'm at work. Yes, I'm at work. (CHORUS) END
