I'm Living a Life of Praise (June 2017)

UKE

Lord I wake each morning, you give me air to breathe.
 You give me hope and gladness, and a heart that can believe.
 And all the things you've done for me, I'm thankful more each day,
 My gratefulness runs over, And I'm living a life - living a life of praise. (G7)

Lord I lift these holy hands,
 (You're so) worthy, I'll do it, again and again,
 Well I'm rejoicing, I'm living a life of praise.

Lord I lift my voice to you,
 I'm So thankful Lord for all that you do,
 (Yes) I'm rejoicing, And I'm living a life - living a life of praise. (INTRO)

You filled me with your holy Ghost, But best of all, what it is I know,
 I lift my heart to heaven, (a new) creature that you've made.
 (When I'm) hurt I have an unknown tongue, When I'm happy, have another one,
 They all cry "abba Father", Cause I'm living a life - living a life of praise. (CHORUS)

(Bridge)
 You make my life worthwhile.
 You take my every burden, and replace them with a smile.
 (You) never cease to amaze.
 And I'm living a life - living a life of praise. (G7)

You gave me a family, In the Spirit Lord, they know what I feel.,
 (When the) glory falls, we all,,,, Give our shout of praise.
 (We) dance as one, we pray as one, We glorify your name.
 (And Our) worship rises up, cause we're living a life - living a life of praise! (CHORUS)
