

INTRO:

G²-CM7

That's When I Speak the Name of Jesus

At times I hurt inside, Don't know to laugh or cry.

I get alone with you, (Jesus) where else can I hide.

I feel such desperate need, (Lord with you, I've got to be,

(As I wait here quietly, For my comfort, my relief.

That's when I speak the name of Jesus.

That's when I speak the name of Jesus.

I raise my hands and say, Oh Lord Jesus, lead my way.

(And it's done, ...when I speak the name of Jesus. (2x)

(When my) spirit runs on dry, I groan that deepest sigh.

I truly realize, That in you I have my life.

(Word) Then I feel your gentle way, I feel the warmth of day.

The son's about to shine, (and) for you're just one breath away. (CHORUS)

(So) Don't leave it locked inside.

Let it flow, a whisper or a cry.

Oh, go and speak his name, (Go and...) Look up and speak his name.

Every need he still be supplies,

For it's done, when you speak the name of Jesus. (2x)

(When I'm) thankful for the day, It overflows, it's more than praise.

When words cannot express, Oh the Joy of Jesus' ways.

My body starts to shake, Tears stream down ~~from my eyes~~ my face.

His glory floods my heart, There's only one thing I can say.
