

# The Fear of God is Good

The fear of God is good.      The fear of God is clean.

I only wish my people, were humble.      And feared me.

The fear of God is just.      The fear of God lives holy.

Cause only those with clean hands, and a pure heart.      Will see me.....      The fear of God is good.

Once I had a dream.      And I could not move,

I was bound.      And I could not breathe.

Well it was so dark,      and I could not see,

And so I screamed....      But I awoke with fear.      The fear of God is good..... (MUSIC)

The fear of God is good.      Love for what is holy.

So fall down on your knees and tremble,      my people.

The fear of God is right.      The fear of God hates evil.

The fear of God prepares us, for wisdom, and truth....      The fear of God is good.

Once I had a dream, I could see no light.

I could not move, the place was black as night.

I had no choices, my seplechure held tight,

Until I screamed, and I awoke with fear.      The fear of God is good. (MUSIC)

The fear of God is good.      The fear of God will still your soul.

The fear of God will make you, meek and, quiet.

The fear of God brings peace.      The fear of God brings knowledge.

The fear of God is perfect, and gentle, and harmless.      The fear of God is good.....

How do you live?      Is everything set right.

God your first.      Every day and night.

Love your all and all.      Is he your very life.

Do not make time....      To fear and make it right.      The fear of God is good.....
