There's A Stranger At Your Door (April 2015)

There's a stranger at your door, and, The doorbell's ringing.

He says he wants to come, and set a spell.

And he's bringing strange ideas, like, "Nobody loves you."

And like-"if you went away, nobody'd care".

Chorus { There are strangers at our doors most every day,
They are looking for a place that they can stay.
So when the stranger's at your door, and,
The doorbell's ringin' ...
If you won't answer, ---- he'll go away.

There's a stranger at your door, and, The doorbell's ringing.

He says he wants a place, to feel at home.

And he brings you foolish thoughts like, "Life's not worth living"

And like "life's too hard", and "They don't understand." (CHORUS)

Bridge { Oh the stranger wants to be inside your head.
So let the mind of Christ inhabit you in stead.
Let the holy Ghost start singing, When the doorbell's ringin'
For the stranger will move on, when he finds you dead.

There's a stranger at your door, and, The doorbell's ringing.

And he says he's looking for a place to stay..

And he's bringing strange religion, like, "There, is no judgment",

or "you can have the Spirit, without the sign he gave". (CHORUS)
