

The Father and Son

G D/F# Em7 Bm7
 Long ago, I had a son. Before all things were made.
 C Bm7 Am7 D7 open
 We rejoiced, and laughed as one. The bond of love was great.

G D/F# Em7 Bm7
 And in our image man was made. Yes in our likeness too.
 C² Bm7 Am7 D7
 The Son He like me. And Me like Him. A perfect life for two

C Bm7 (Em7) Am7 G
 We both shared these feelings, the ones you're feeling now.
 C Bm7 (Em7) Am7 G
 In one accord, in the spirit, Free of fear and doubt.
 C Bm7 Am7 Bm7
 It made it hard, to send him down, to watch him suffer too.
 Am7 Bm7 Em7 Am7 G
 But we agreed, we weren't complete, without you.
 C Bm7 Em7 Am7 - G
 Yes we had everything, Yet we, wanted you.

G D/F# Em7 Bm7
 Daily I brought up my son, He was my pure delight.
 C Bm7 Am7 D7 open
 And we rejoiced, when I established, all things by my might.
 G D/F# Em7 Bm7
 From everlasting I've set up, the heavens, hills and seas.

C Bm7 Am7 D7
 And through my son, created all, He made your world to be.
 C Bm7 (Em7) Am7 D7 G
 We both shared these feelings, the ones you're feeling now.
 C Bm7 Em7 Am7 D7 G
 In one accord, in the spirit, We had no fear or doubt.
 C Bm7 Am7 Bm7
 It made it hard, to send him down, to watch him suffer too.
 Am7 Bm7 Em7 Am7 G
 But we agreed, we weren't complete, without you.
 C Bm7 E7 Am7 G
 Yes we had everything, Yet we wanted you.

G D/F# Em7 Bm7
 And only my, beloved Son. Could die to bring you in.
 C Bm7 Am7 D7 open
 We were perfect as we were, but you were bound by sin.
 G D/F# Em7 Bm7
 His blood must fall, to bring you all, to the place we'll ever be.
 C Bm7 Am7 D7
 A body I prepared for him, He'd die upon a tree.

C Bm7 - Em7 Am7 G
 And we both shared these feelings, the ones you're feeling now.
 C Bm7 Em7 Am7 D7 G
 In one accord, in the spirit, We'd love and bring you out.
