

I Just Thought I'd Ask (Sept 2017)

Just Thought I'd Ask. Just Thought I'd Ask.
 You said pray, and never cease, so I'd thought I'd ask.
 Let my incense now rise up, (Lord do) things impossible,
 (Yes I) come to you right now, Just Thought I'd Ask.

(Just Thought I'd) Ask. Just Thought I'd Ask.
 You said knock, and don't give up, So, I thought I'd ask.
 (I pray) Lord, not just for me, (but for my) brother who's in need.
 (Touch his) life with victory, Lord, I thought I'd ask.

(Lord you've) been so good to me, Gave me life and set me free.
 If you did it once, you can do it once again.
 So Lord I ask for the one I love, Let your mercy now extend.
 Let my prayer arise, and meet your heart,
 Do a miracle.... I know you can. . .

(Just Thought I'd) Ask. Just Thought I'd Ask.
 We've been sick for much too long, so I thought I'd ask.
 (Lord we) need your healing touch, show your power and raise us up.
 (Lord with) healing prayer I come, just thought I'd ask.

(Just Thought I'd) Ask. Just Thought I'd Ask.
 (I've got a) child confused and lost, so I thought I'd ask.
 You can turn their heart around, make our family whole and sound.
 Let us prosper and abound, I just thought I'd ask. (CHORUS)

(Just Thought I'd) Ask. Just Thought I'd Ask.
 We're a body that's divided, so Lord I ask.
 May the holy Ghost come down, and unite us, hear us now.
 (And restore) our joyful sound, just thought I'd ask. (CHORUS)
