

Falling in Love with Jesus

I was workin' by the seaside, When Jesus came to teach.

He said lay down your fisher's net. Come and follow me.

So I said to my father Zebedee, Daddy, I have to go.

I've fallen in love with Jesus, I wanna let the whole world know.

I've fallen in love with Jesus. Fallen in love with Jesus.

He touched something inside my heart. It happened so easily.

Now I've forsaken everything. What else could I do.

I've fallen in love with Jesus, Now don't you love Him too!

Peter and I went to the mount With the master by and by.

And he transfigured before our eyes, and we were terrified.

And when we woke, He comforted. As only He can do.

I've fallen in love with the Son of God, And I speak for Peter too! (CHORUS)

I put my head on Jesus' breast, At supper on that night.

I said Lord, "Who'll betray you?" And I prayed it was not I.

(When He looked at me and said "dear John", That was all I had to hear.

His love again had conquered me, And taken all my fear. (CHORUS)

I was on the isle of Patmos, Where an angel came to me.

He brought God's revelation, of the things that soon would be.

And when I saw the Lamb of God, beside that crystal sea.

I had fallen in love with Jesus, for all eternity! (CHORUS)
