

(Guitar walk down) (C in D pos) **You're My Delight** (June 2018)

Intro: | G | G M7/D | G/E | A m7 - A m7/D || 2X

Oh Lord... You're my delight, my thought day and night.

You keep me thinkin' what is right.

Oh Lord... You're my delight. You're everything right.

So keep me humble in your sight.

You're all that I am living for, (Make me) worth what you came dying for,

Oh Jesus, you're my hope and you're my life....

You're my delight, You're my delight.

(I'm) yours, a living sacrifice.

You're my delight, You're my delight.

You're my meditation day and night.

You're my delight, you're my delight.

Keep me blameless, keep my garments white.

It's natural Jesus, walking in your light...

When you're my delight.... (INTRO)

Oh Lord... You're my delight. Your Spirit was right.

(I was) yours before I saw the light.

Oh Lord... You're my delight. My future is bright.

('Cause no) matter what, you send what's right.

And in the power of your might, A servant's heart is my desire.

Your will, your mind, your ways, are my delight. (REPEAT CHORUS)
